Local Artist of the Week: Dana Harel

LOCAL ARTIST Dana Harel

TITLE *Circus Ranivorus*, graphite on paper, 96 by 72 inches

STORY This is from a series of 10 graphite drawings. The positioning of the hands references traditional shadow puppetry, without the use of light and shadow. Each animal is rendered at the scale of the true creature. Harel: "I am exploring the construction of fictional hybrid combinations, treating the body as kin to all wild things."
